building solutions that make
your projects beautiful

HERMOSA INTERIOR PAINTS

Love your home

Hermosa Paints offers a diverse range of interior paints that combine aesthetic appeal with high functionality. Known for their vibrant colors and durable finishes, Hermosa paints cater to various design preferences, from modern to traditional.

HERMOSA SILK VINYL EMULSION

Matt finish for interior & exterior

It's a high quality emulsion paint with a fashionable silky finish which is extremely tough & washable.

The paint film prevents stains from penetrating and it is easy to clean. Ideal for interior use in living rooms, bedrooms, kitchens, bathrooms, stores, washrooms, & particularly recommended for use in hospitals, food processing areas etc.

HERMOSA ECO-PLAST EMULSION

Good Coverage

Hermosa Eco-Plast Emulsion Paint is an economical emulsion based specially formulated for the interior use on walls and ceilings. It can be applied directly to plaster, soft board surfaces, cement rendering, brick and stone.

HERMOSA SUPER COVERMATT

For walls and ceilings

Hermosa Super Covermatt Emulsion is a trade emulsion paint specially formulated for the interior use on walls and ceilings. It has a matt finish and can be applied directly to plaster, soft board surfaces, cement rendering, brick and stone.

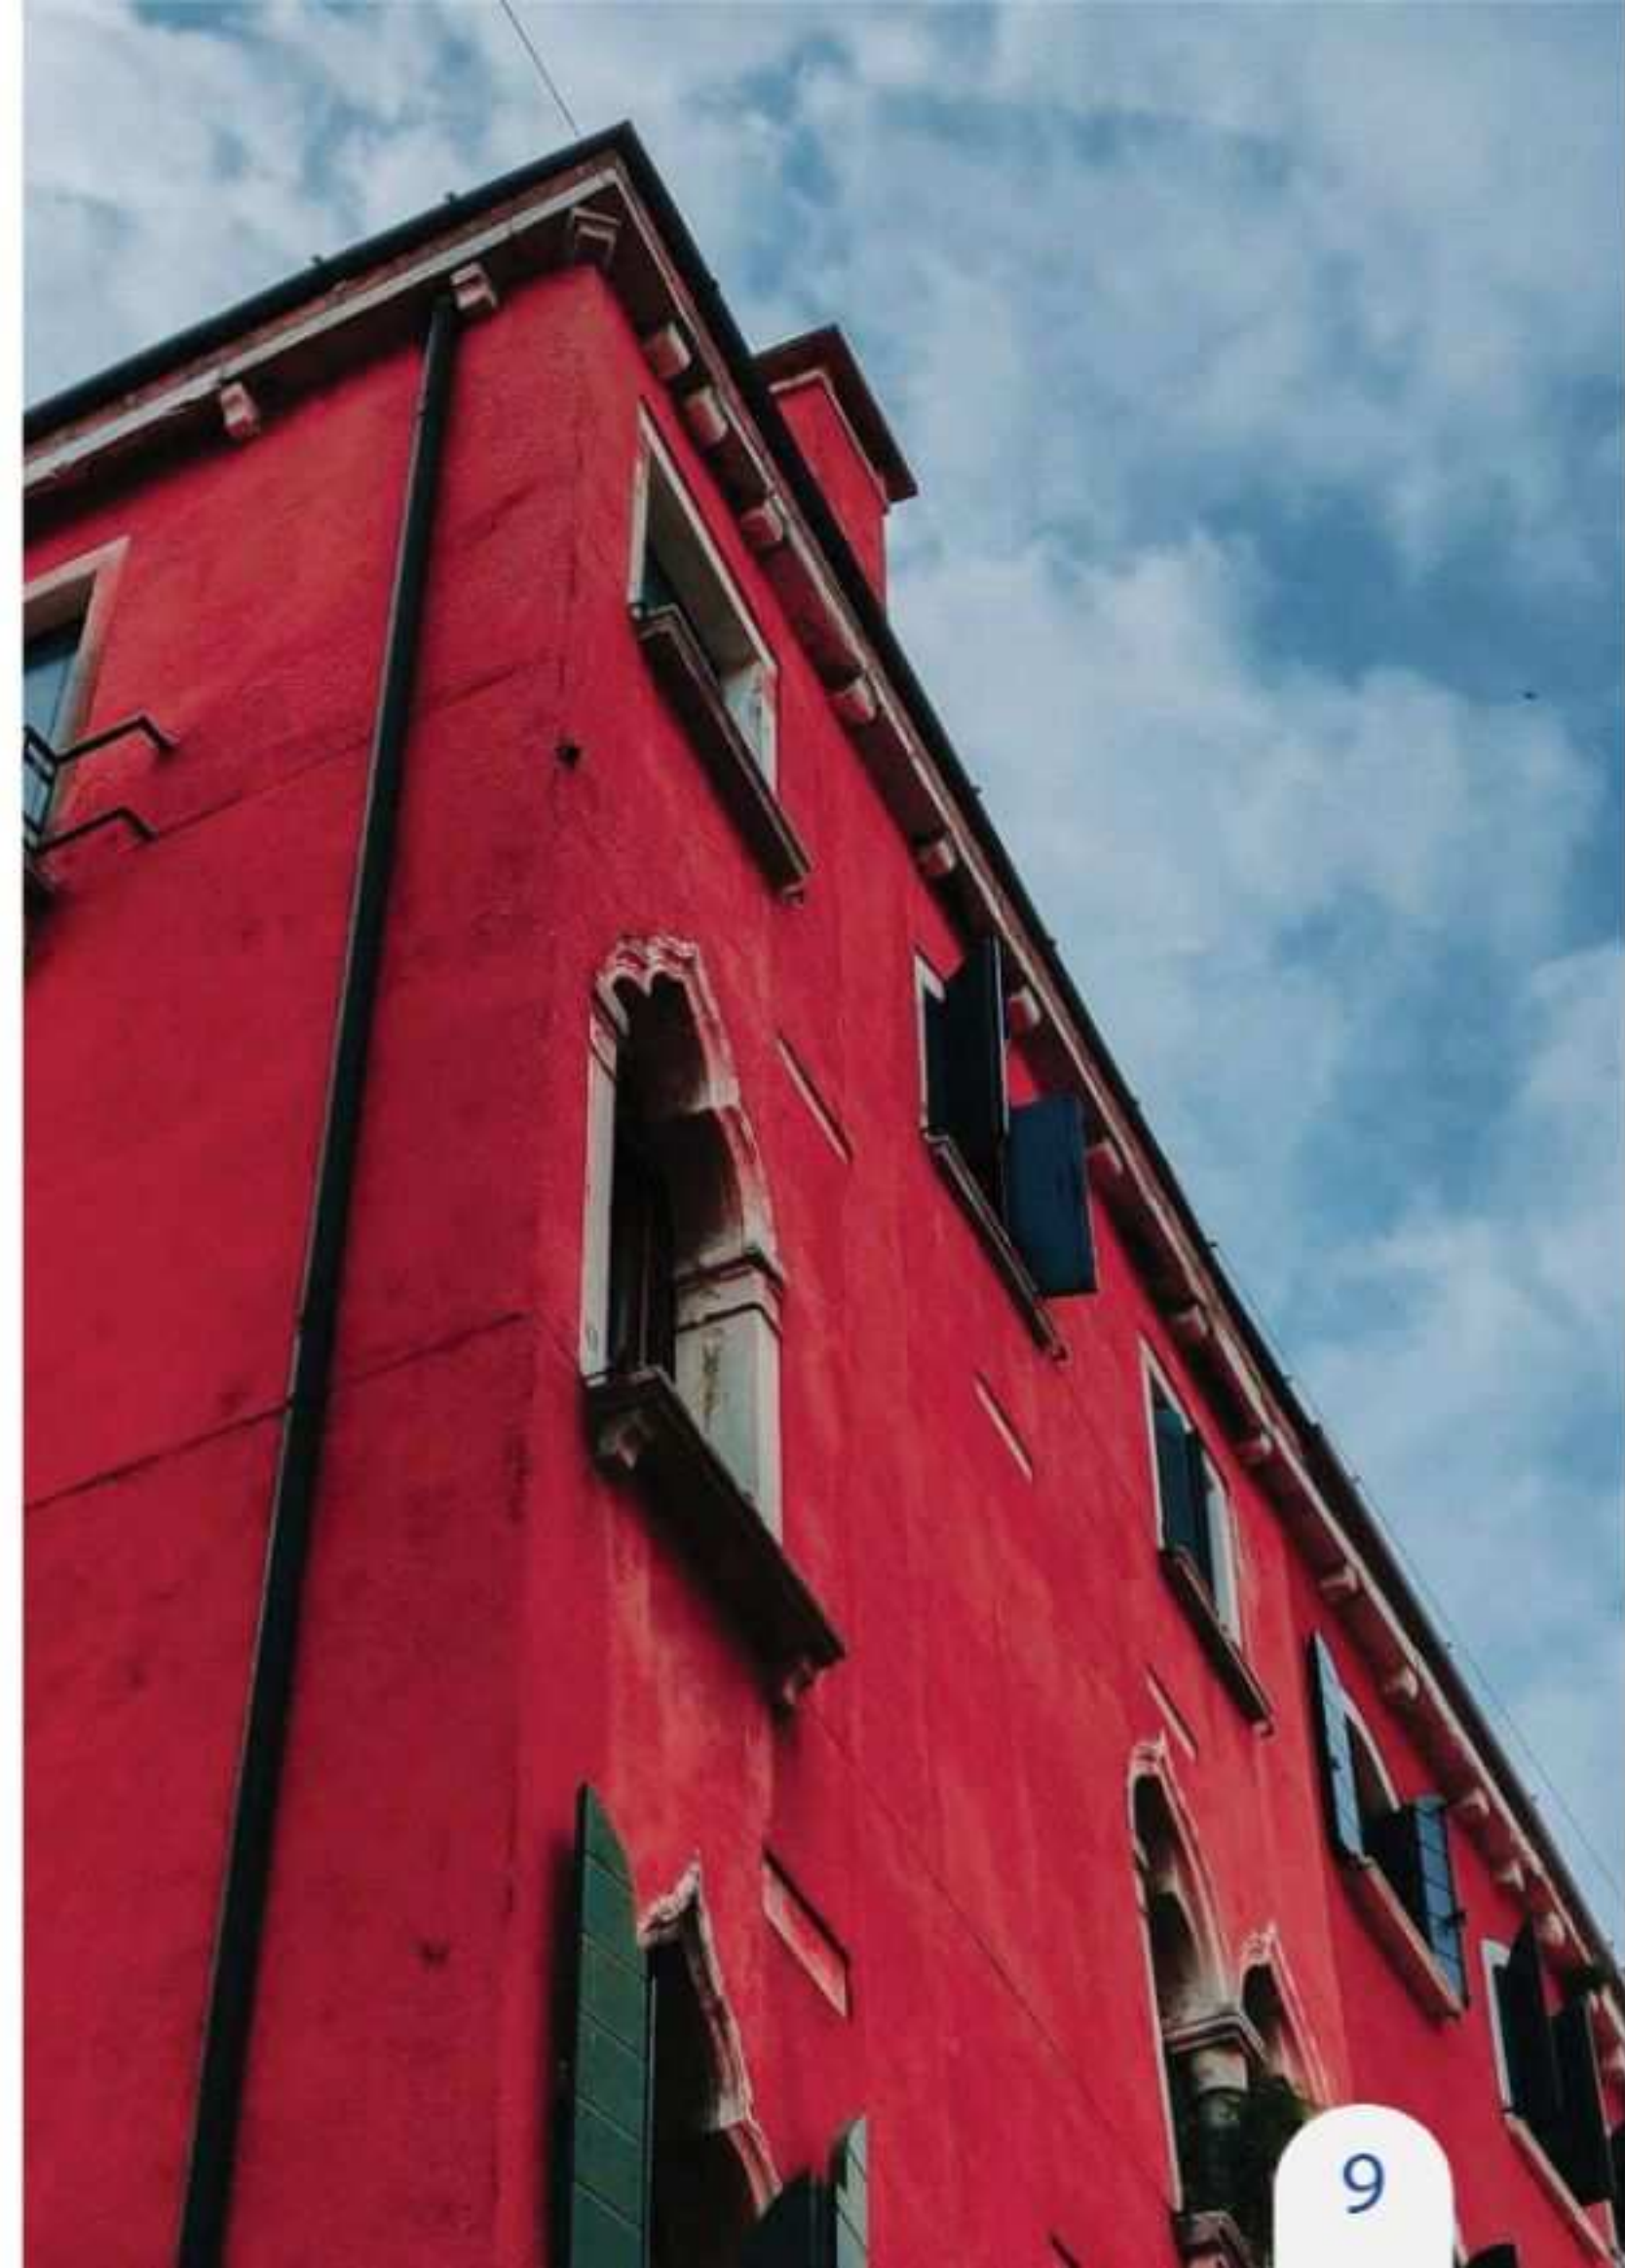

HERMOSA 2 PACK EPOXY FLOOR PAINT

Maximum protection of floors

Hermosa 2-Pack Epoxy Floor Paint is high performance two component epoxy based floor paint cured by epoxy hardener. It is ideal for application in chemical plants, factories and other high traffic areas.

HERMOSA EXTERIOR PAINTS

Choose the best

Hermosa Paints offers a versatile selection of paints suitable for both interior and exterior applications, blending vibrant colors with exceptional durability. Designed to withstand the elements while enhancing the aesthetic appeal of any space, these paints cater to a wide range of styles, from contemporary to classic.

HERMOSA WEATHER GUARD

Weather resistant

Hermosa Weather Guard paint is a superior exterior emulsion paint formulated with biocides to resist and prevent fungal and algae growth. Its ideal for all wall surfaces including exterior coastal, high-rise properties giving a flexible, smooth finish.

HERMOSA SILICONE EXTERIOR

Water resistant for walls protection

Hermosa waterproofing paint is uniquely made with a combination of binder, pigments, and additives, which provide a tough, long-lasting coating that withstands exposure to water without cracking, peeling, or lifting. It is ideal for use in humid environments or where paint is likely to come into contact with water, such as bathrooms, kitchens, flat roofs, or basements. Waterproof paint can be used on various surfaces, like walls, ceilings, floors, and even outdoor surfaces.

SELF-PRIMING ROOF PAINT

ACRYLIC EMULSION

Hermosa Self-Priming Roof Paint is an emulsion paint based on special PVA to give maximum protection on galvanized iron sheets and concrete roofs.

Advantages: Roofs decorated and protected with Hermosa Self-Priming roof paint collect rain water that is clean for human consumption. Its flexible and very durable in all weather conditions.

HERMOSA ROOF PAINT

Maximum protection for galvanized roofs

Hermosa Roof Paint is based on alkyd and light fast pigment to enhance durability. It is suitable for galvanized roof, exposed iron and steel structure giving them maximum protection.

HERMOSA INTERIOR & EXTERIOR PAINTS

Choose the best

Hermosa Paints offers a versatile selection of paints suitable for both interior and exterior applications, blending vibrant colors with exceptional durability. Designed to withstand the elements while enhancing the aesthetic appeal of any space, these paints cater to a wide range of styles, from contemporary to classic.

WATERPROOFING PAINT

WATERPROOF AGENT **for Interior & Exterior Walls Protection**

It's a high quality emulsion paint with a fashionable silky finish which is extremely tough and washable. The paint film prevents stains from penetrating and it is easy to clean. Ideal for interior use in living rooms, bedrooms, kitchens, bathrooms, stores, washrooms, and particularly recommended for use in hospitals, food processing areas etc. Hermosa Silk Vinyl can also be used on timber wallboards/partitioning.

HERMOSA ACRYLIC SEALER UNDERCOAT

Primer, sealer and undercoat for timber and concrete surfaces

Hermosa Acrylic Sealer Undercoat is a premium emulsion based undercoat specially formulated for the interior and exterior use on walls and ceilings. It can be applied directly on plaster, soft board surfaces, cement rendering, brick and stones. Has high opacity and good adhesion on substrate materials.

HERMOSA METAL PUTTY

For fixing glass on doors and windows

Hermosa Metal Putty is used for the glazing of wooden and metal window frames with single glass. It is suitable for use in bedding and external fronting of single glass into primed softwood and hardwood frames. Can also be used to glaze single glass into concrete or stone surrounds after prior sealing with an appropriate sealer. It is easy to apply and budget friendly.

HERMOSA VINYL MATT EMULSION

Matt Finish

Hermosa Universal Undercoat is a premium quality multipurpose undercoat which ensures good weathering and obliterating properties. Suitable for interior and exterior use on all types of surfaces such as wood, metal, plaster, stone. It brushes deep into cracks, filling minor irregularities. It should be applied over an appropriate primer. It has excellent opacity and sanding properties, suitable for subsequent top coat.

HERMOSA STONE GUARD CLEAR

Acrylic Clear Finish

Hermosa Stone Guard Clear is based on a special PVA copolymer specially formulated for stone, brick and all concrete surfaces. It gives a silky protective surface

HERMOSA ROUGH MASTER TEXTURE

Toughest protection on your walls

Hermosa Matt Finish Paint is an alkyd based with a matt finish appearance but tough and flexible film that is highly durable.

HERMOSA HI-GLOSS ENAMEL

Gloss solvent based

Hermosa Hi-Gloss enamel gives a smooth, high gloss, washable & dirt-resistant finish. It's easy to apply. It is suitable for painting wood, metal and cemented surfaces both interior and exterior to give an attractive glossy finish.

HERMOSA SUPERGLOSS ENAMEL

Premium high gloss paint

Hermosa Super Gloss Enamel is superior paint specially formulated to provide excellent gloss and maximum colour retention.

It is suitable for surfaces such as metals, wood or plaster.

Benefits & Features: Ideal for interior and exterior surfaces giving a finish that is very tough and washable. It has good gloss retention, flexible and excellent durability for tropical weather conditions.

HERMOSA METAL PRIMER GREY

Excellent smooth finish

Hermosa Metal Primer Grey is an alkyd based for new and freshly uncoated metals. It provides firm adhesion and corrosion resistant on the metals and for the subsequent finishing paint. It is recommended for both interior and exterior finishes.

HERMOSA ECONOMY UNDERCOAT

Premium high gloss paint

Hermosa Economy Undercoat is an alkyd-based, multipurpose undercoat, which provides a flexible, durable, non-absorbent foundation for gloss finishes. Has good hiding power and good adhesion on surfaces. Ideal for interior and exterior use on wood, metal, plaster, stone, etc

HERMOSA EGGSHELL ENAMEL

Semi-gloss paint for maximum durability

Hermosa Eggshell is a semi-gloss alkyd based finish. It is washable and resistant to dirt. It is ideal for walls and ceilings in high traffic areas such as corridors, reception areas, canteens, where exceptional resistance to wear and dirt is required. It can be applied on suitably primed woodwork and metalwork where a fashionable sheen finish is desirable.

HERMOSA SMOTEX

Dense black finish

Hermosa Matt Finish Paint is an alkyd based with a matt finish appearance but tough and flexible film that is highly durable.

HERMOSA 2 PACK EPOXY HARDENER

For epoxy paints only

Unleashing Colours, Brightening Lives

How to prepare

HERMOSA PREPARATION SURFACES *Get the best results*

Remove all loosely adhering material from the wall surface using sand paper, putty blade or wire brush. The substrate should be clean, free from dust, grease and loose materials. Moisten the wall with sufficient quantity of clean water. This ensures higher bonding strength, easy workability and higher coverage with the surface.

HERMOSA WOOD & METALS *Guaranteed*

Hermosa Paints offers specialized paints for wood and metal, delivering durable finishes that enhance appearance and protect against wear. Perfect for both decorative and functional use, these paints provide long-lasting coverage on a variety of surfaces.

HERMOSA FLOOR PAINT

Excellent smooth finish

Is a synthetic paint based on alkyd. The dried paint film is flexible, durable and easy to maintain. It is suitable for decorating and protecting both wooden and concrete floors. Hermosa Floor paint is resistant to oils and fats, common acids and alkalis used domestically.

HERMOSA UNIVERSAL UNDERCOAT

High opacity

Hermosa Universal Undercoat is a premium quality multipurpose undercoat which ensures good weathering and obliterating properties. Suitable for interior and exterior use on all types of surfaces such as wood, metal, plaster, stone. It brushes deep into cracks, filling minor irregularities. It should be applied over an appropriate primer. It has excellent opacity and sanding properties, suitable for subsequent top coat.

HERMOSA N.C SANDING SEALER

Quick drying sealer for wood

Hermosa Nitrocellulose Sanding Sealer is a fast drying nitrocellulose wood sealer. It is a transparent paint that gives a colourless coat prior to top coating by filling in all open grain.

HERMOSA BLACK BITUMINOUS PAINT

Hard glossy bitumen based

Hermosa Black Bituminous paint is a heavy-duty bitumen-based paint. Recommended for most surfaces including metallic, cement plastered, brick, stone, etc. It is suitable for acidic environments. Has good waterproofing property and fills minor imperfections on surfaces, giving a smooth finish.

HERMOSA WOOD VARNISH

Clear

Hermosa Wood Varnish Clear is an alkyd based that provides a durable hard finish gloss for wood structures and furniture.

HERMOSA CEMENTS & POWDERS

Enjoy the moment

Hermosa provides high-quality cement, known for its strength and smooth finish. Perfect for modern and traditional builds, Hermosa cements ensure durable, reliable structures.

HERMOSA SMOTEX

Excellent smooth finish

Hermosa Smotex Smooth Finish is a ready mixed surfacing compound for cement plaster surfaces, appropriately primed wooden surfaces and ceiling boards, hardwood and softwood. It is based on selected fillers and resin and gives excellent smoothness. Different texture effects can be achieved by using different application techniques. It is used for smoothing uneven plasterwork.

HERMOSA SKIM COAT

Cement based for skimming

Hermosa Skim coat is water resistant white cement-based putty which provides a strong base for interior and exterior walls and ceilings. It fills the fine pores of the walls and ceilings, thereby giving a white, smooth and dry surface for painting. Being water resistant, it provides a protective base which prevents expensive paint from flaking. It can even be applied on freshly plastered walls since it is breathable.
